

Un aperçu de mon quotidien:

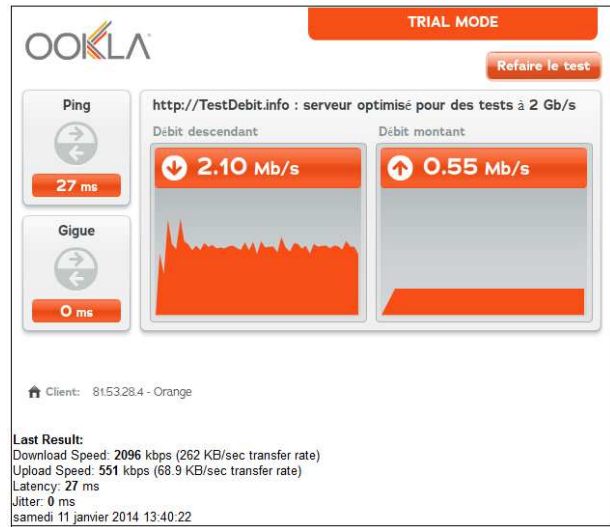

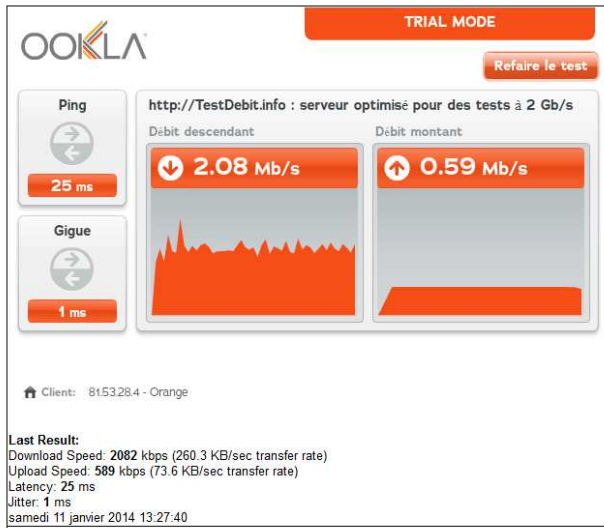

Pour info:

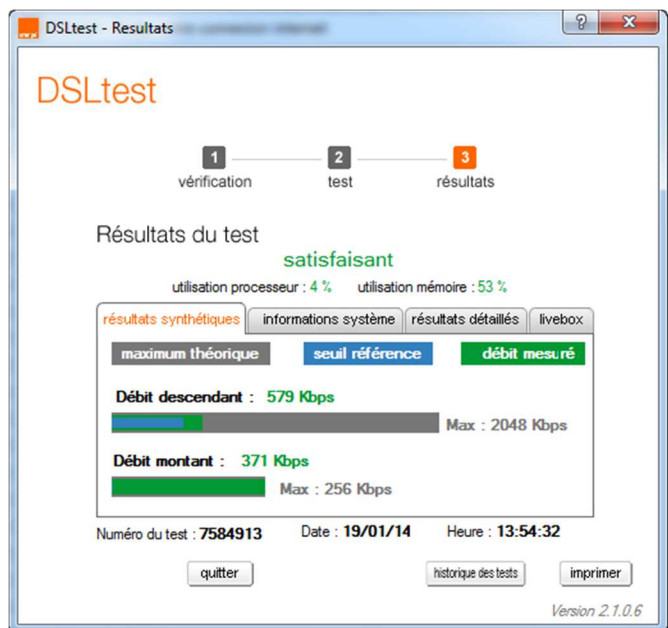

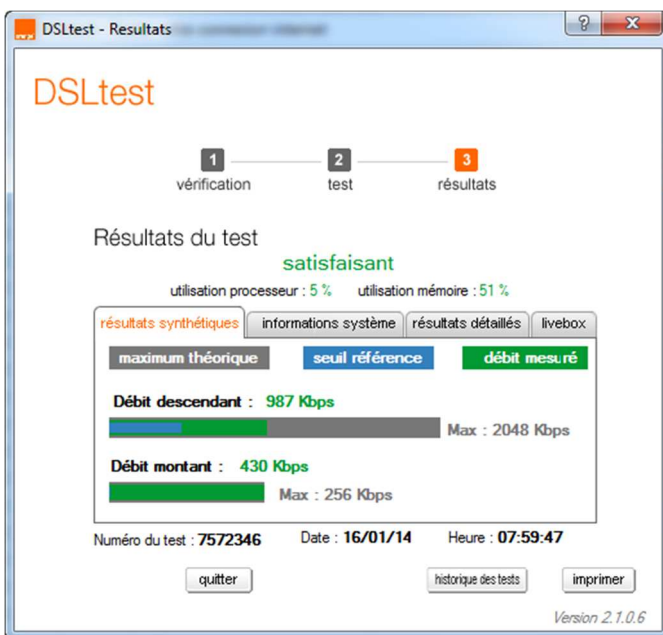

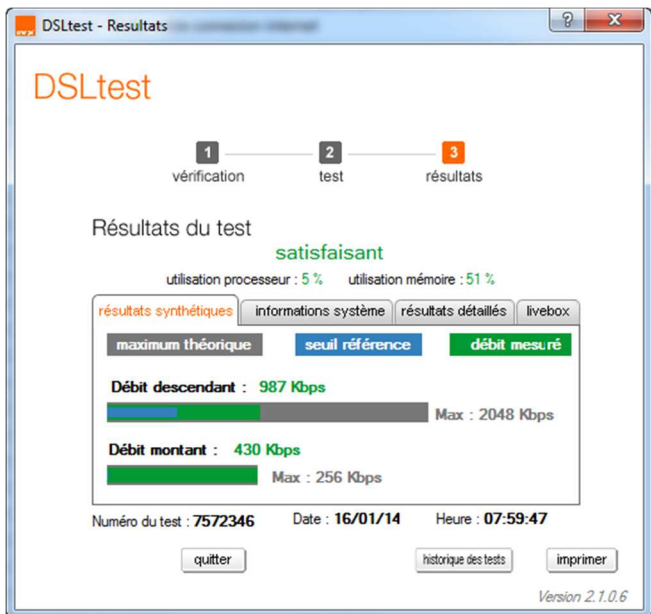

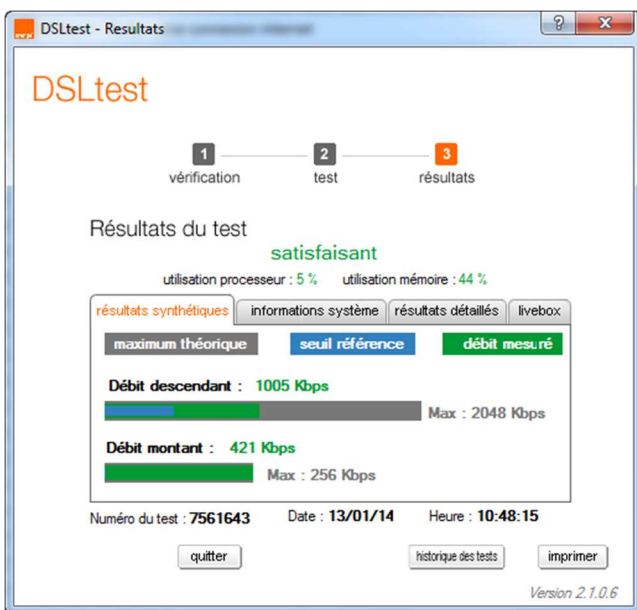

confirmé par orange (2422Kbps le 14/12/2013)

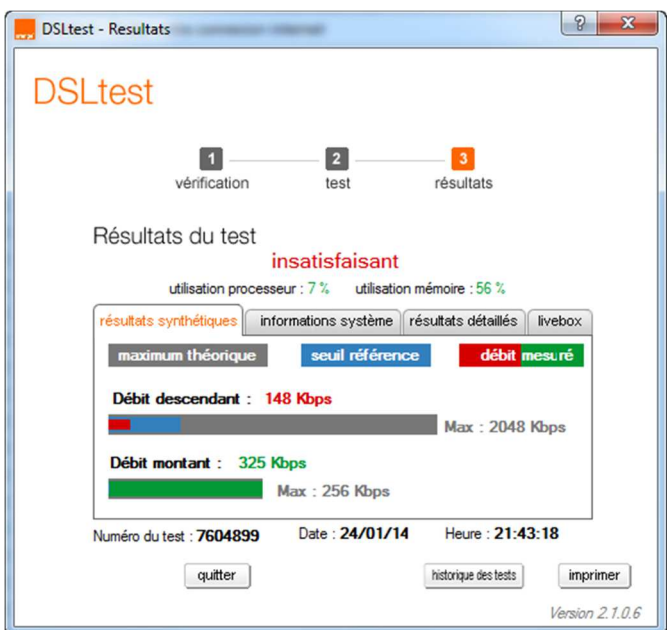

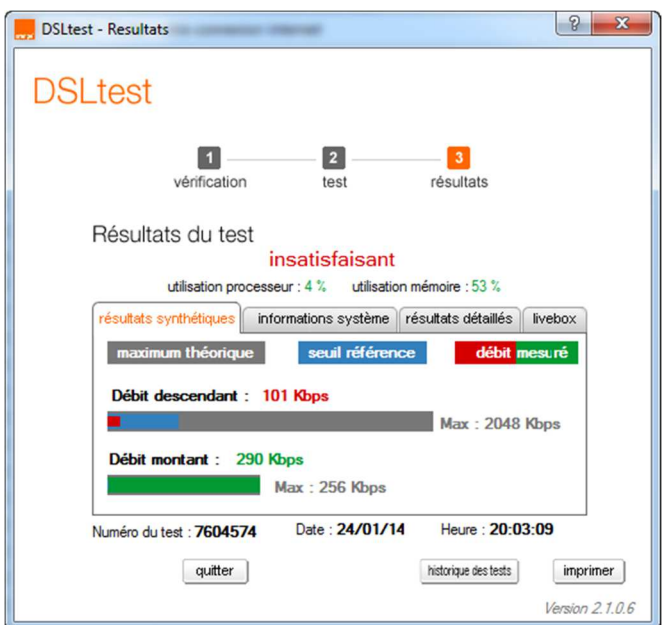

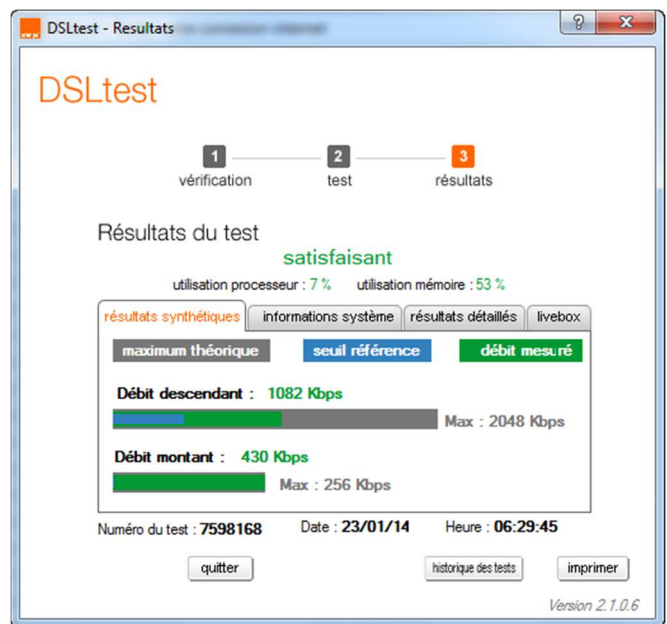

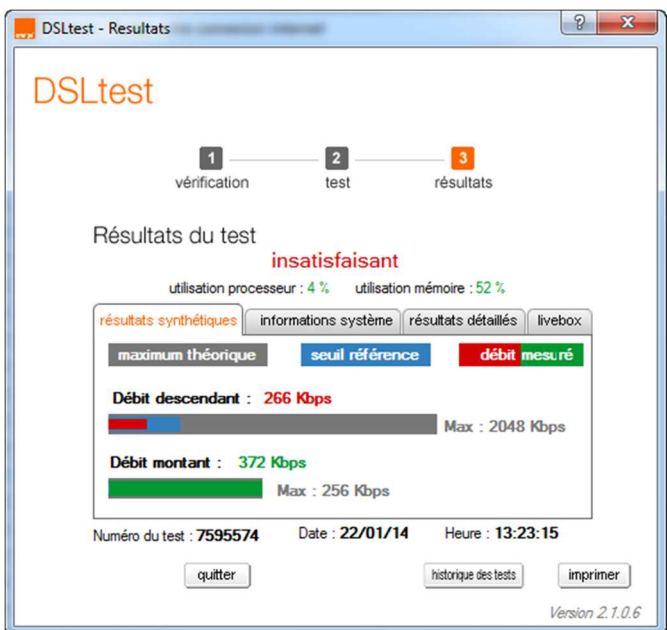

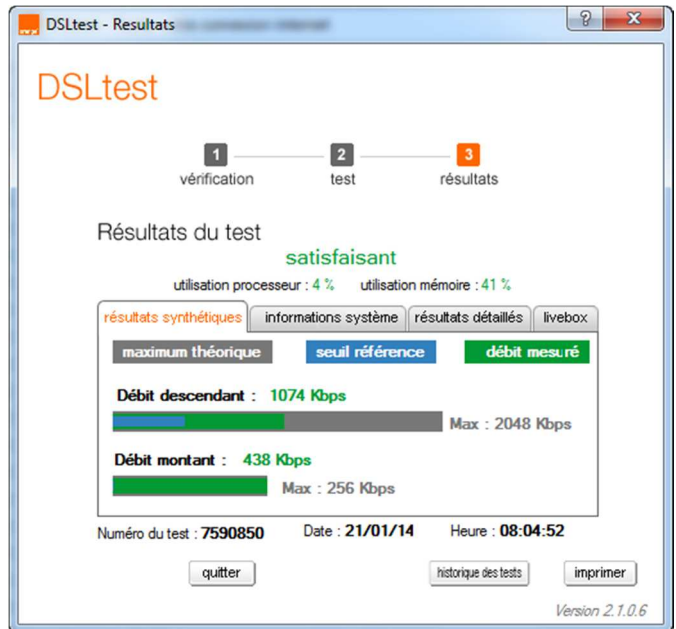

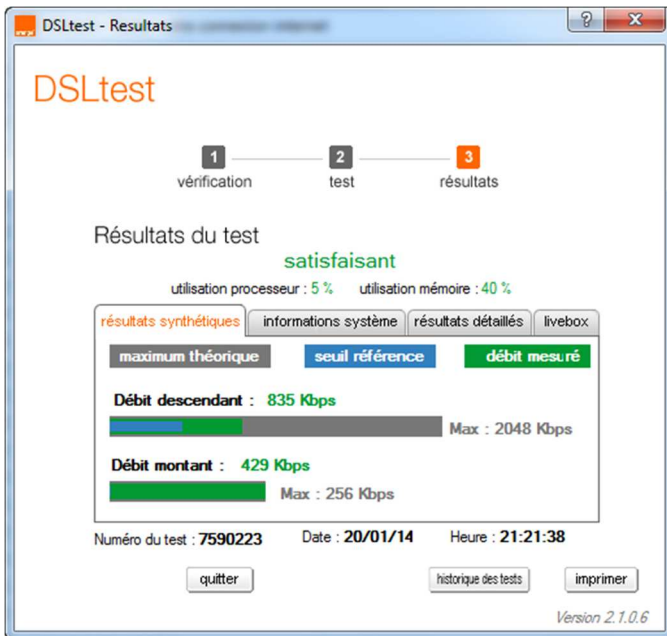

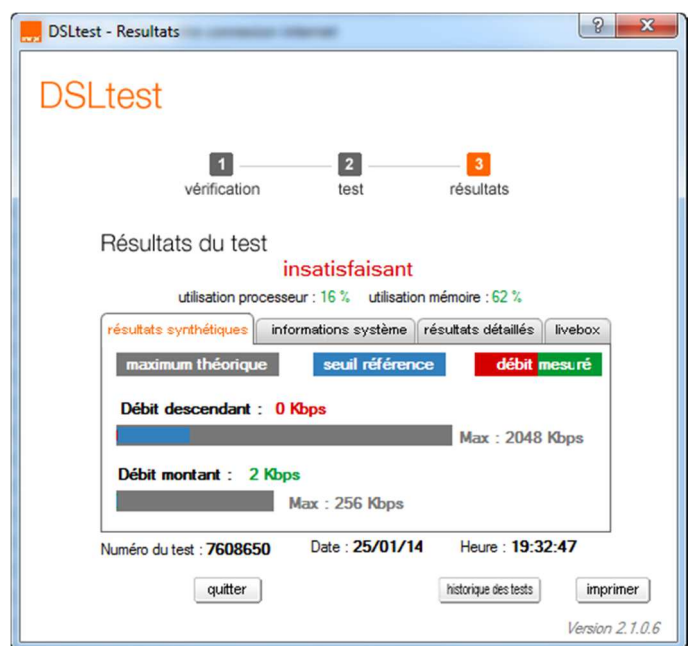

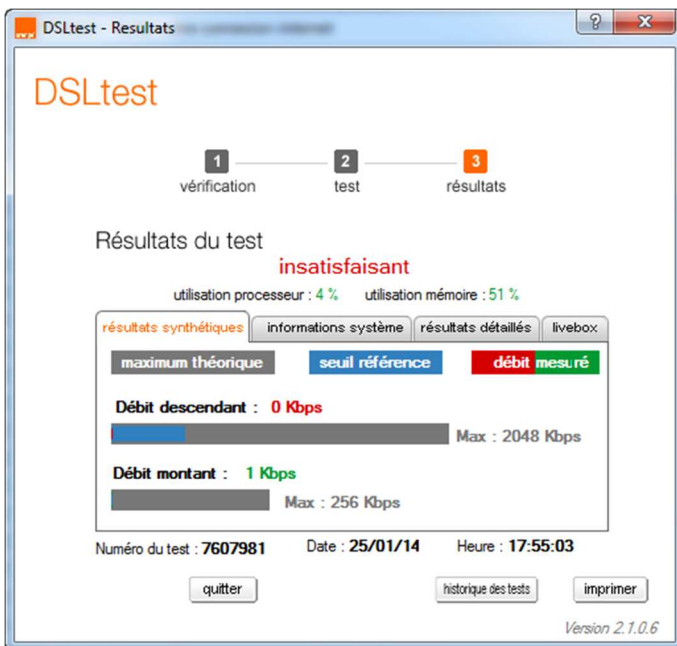

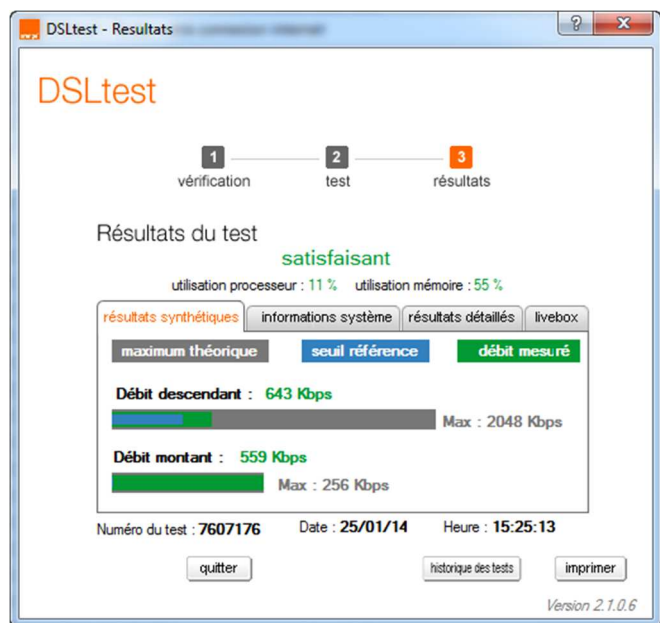

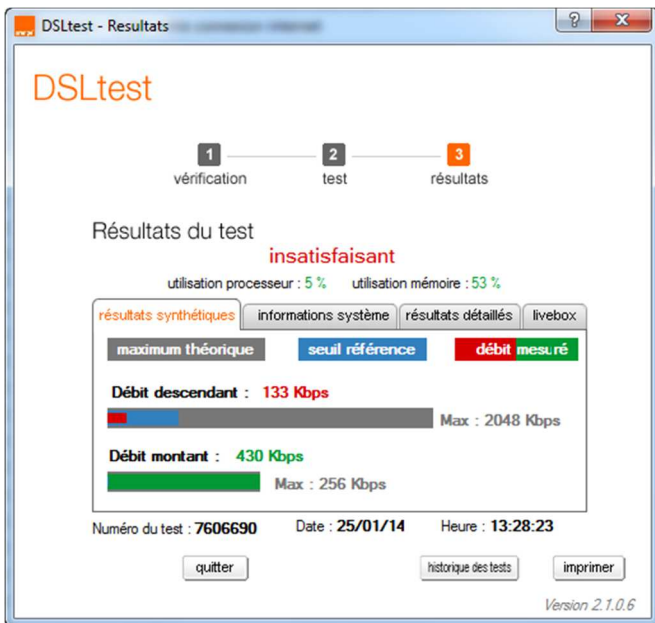

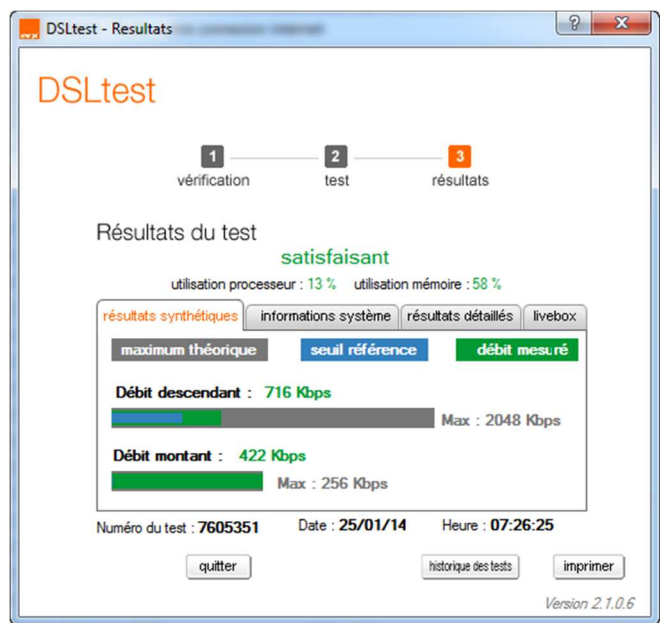

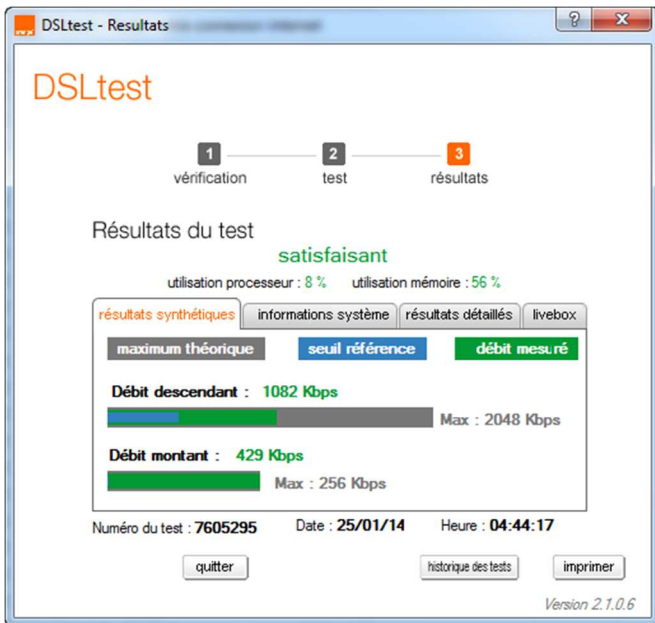

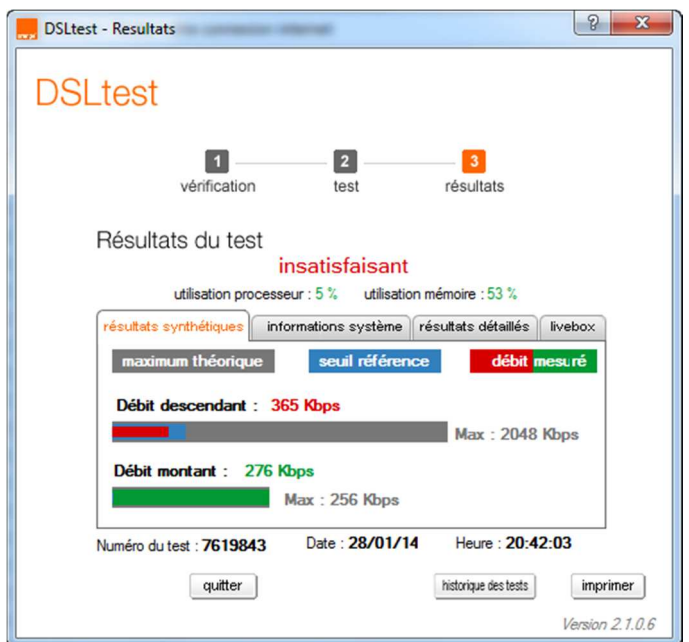

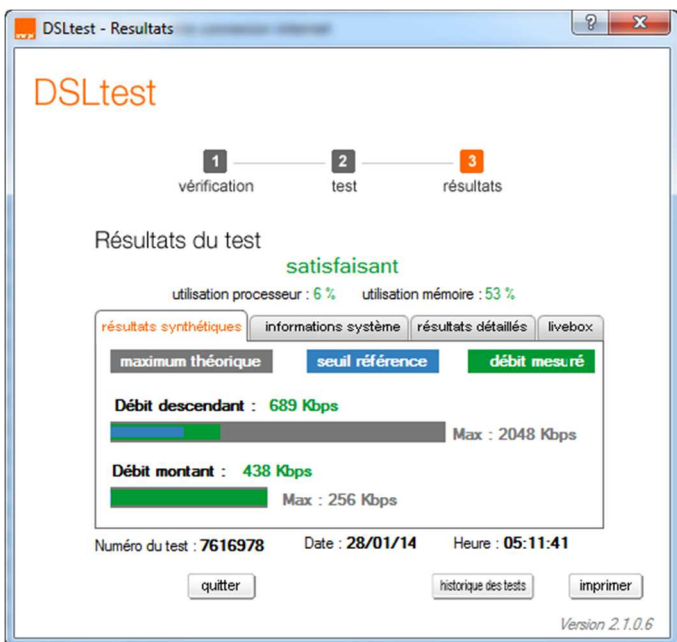

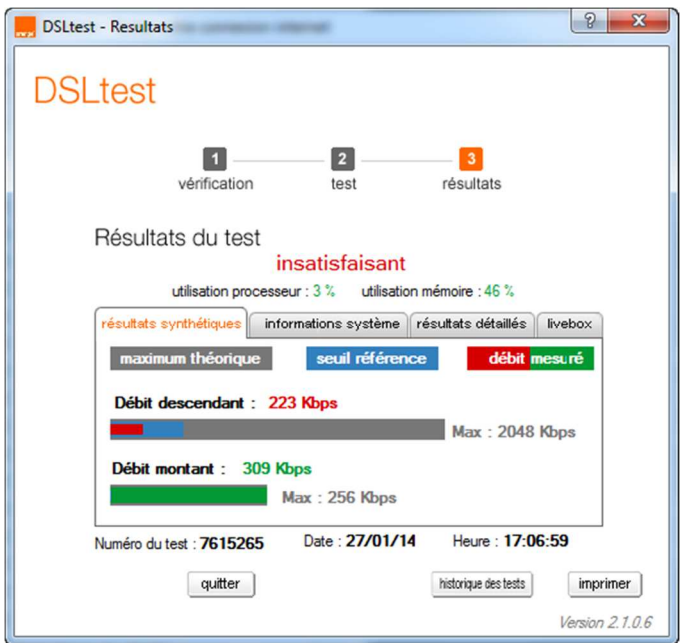

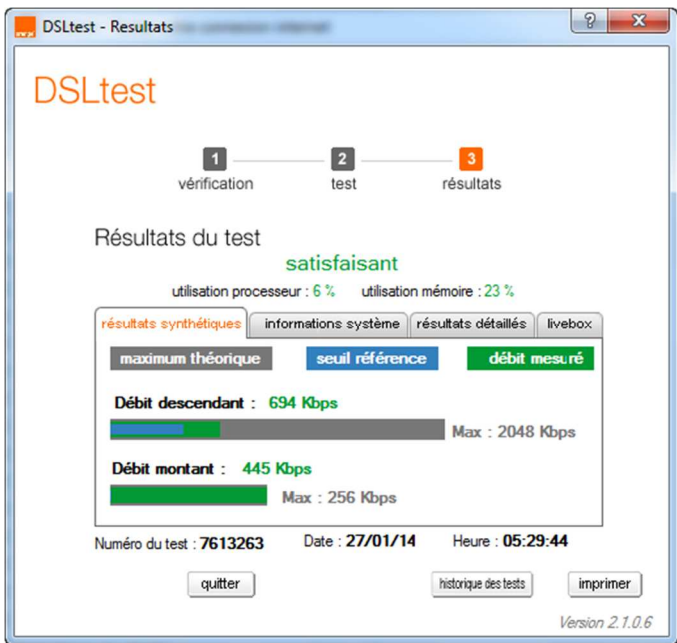

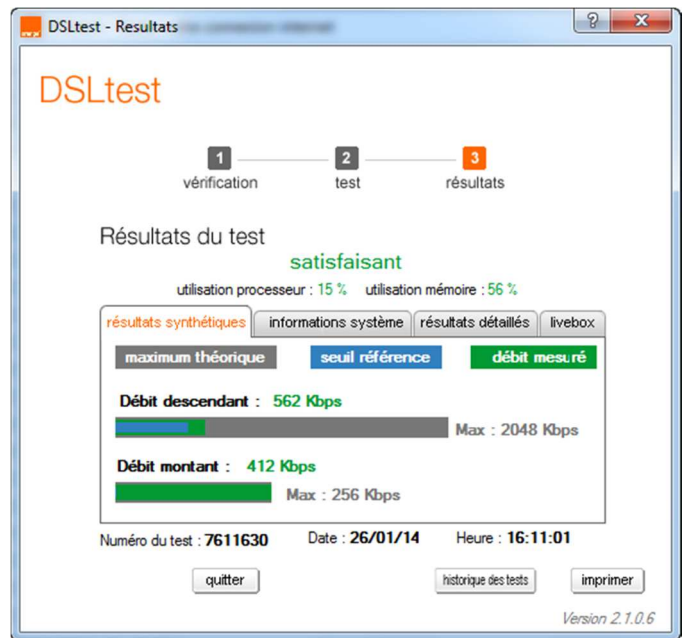

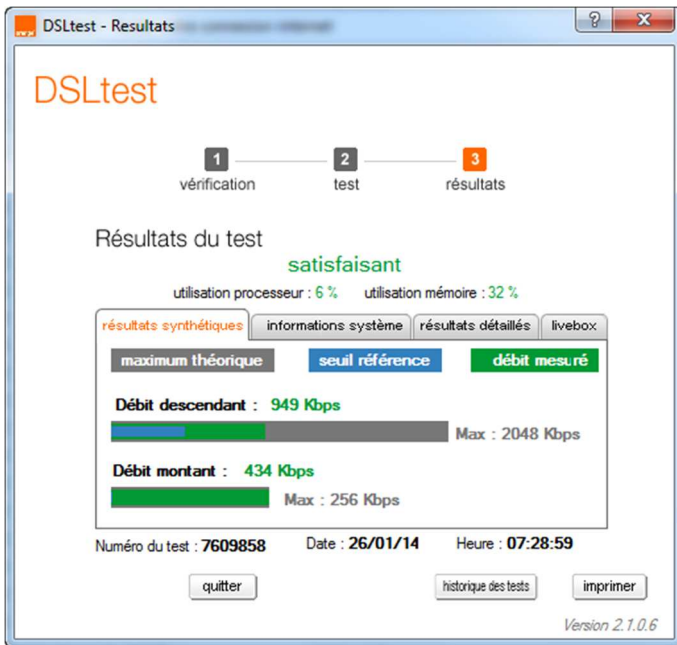

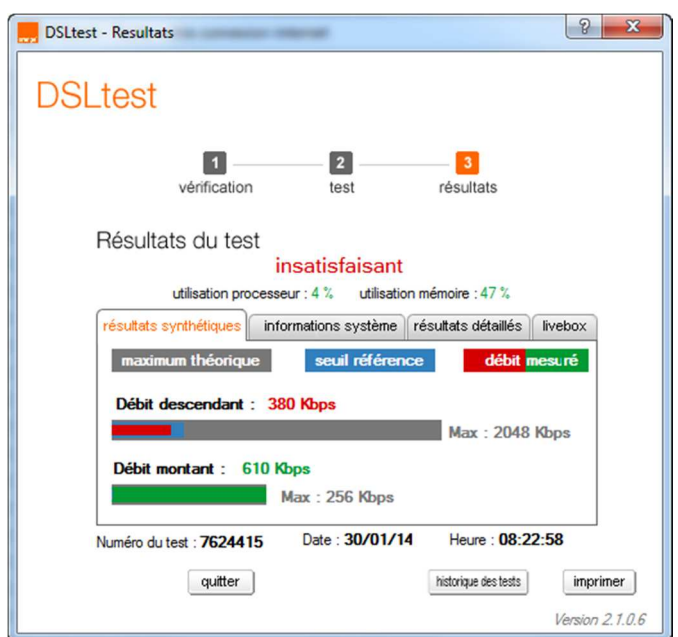

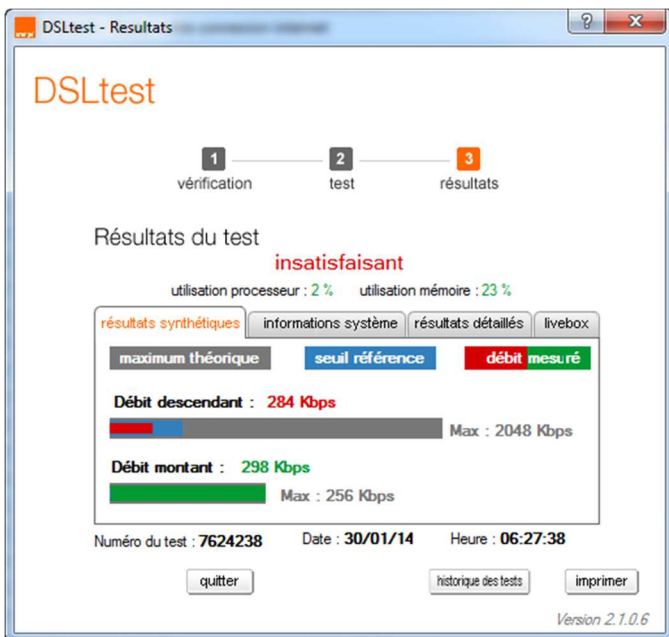

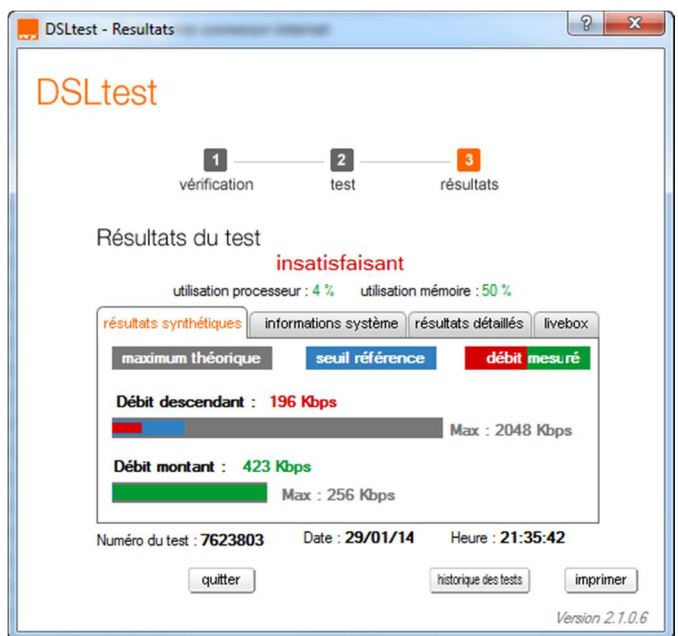

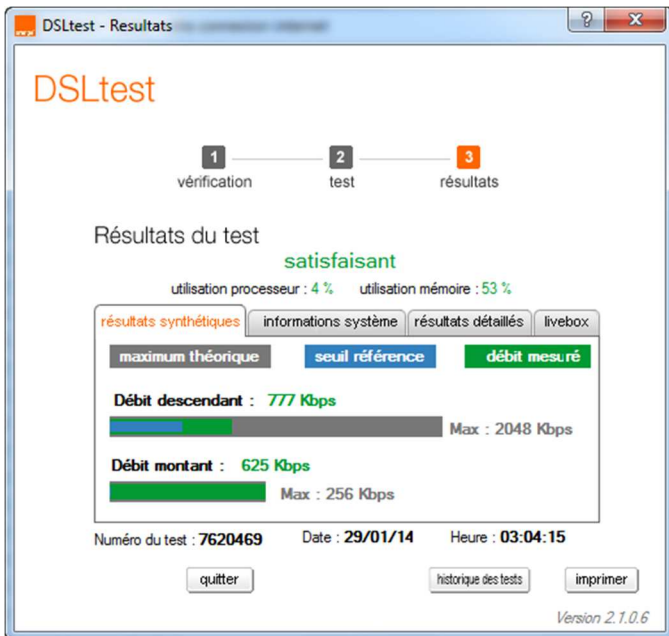

Eh! Bien voilà, c'est possible !!! Oui, mais ça ne dure pas !!!

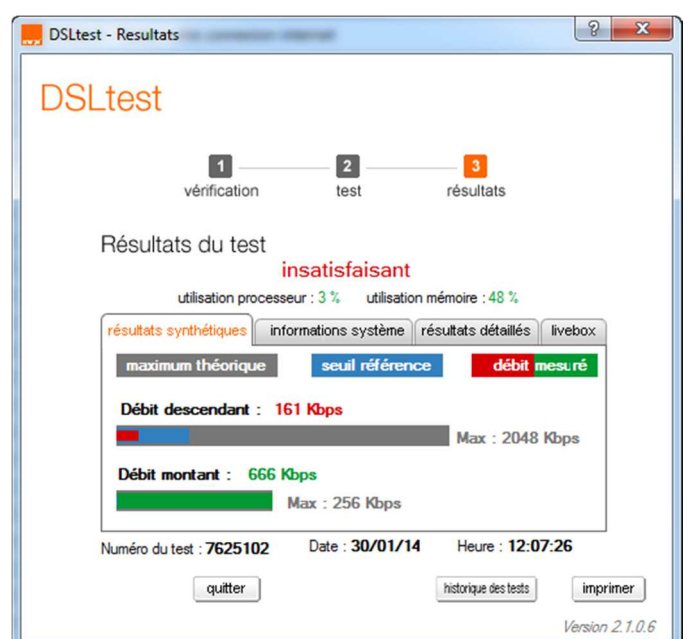

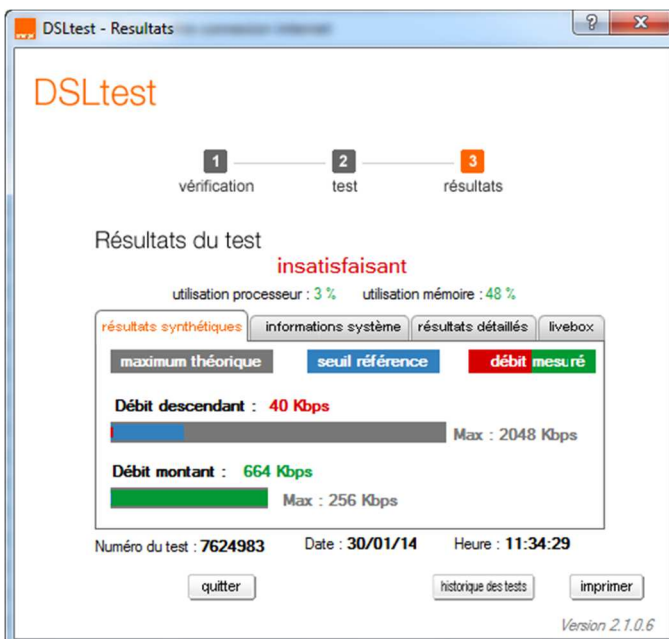

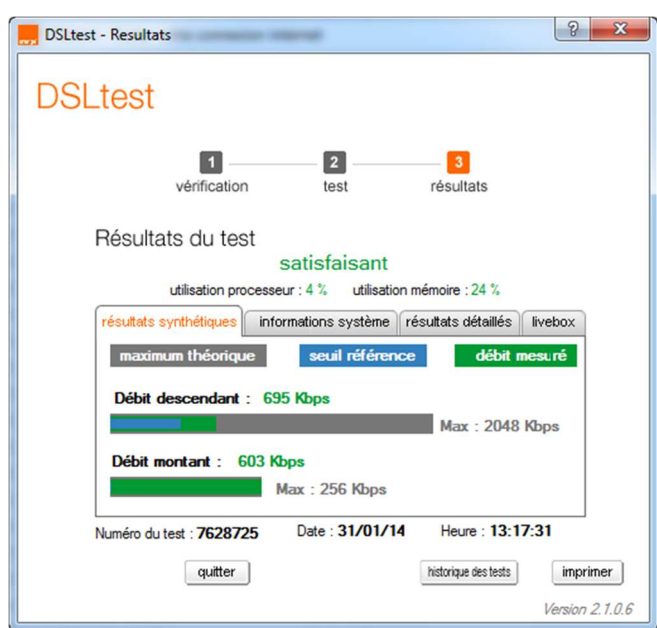

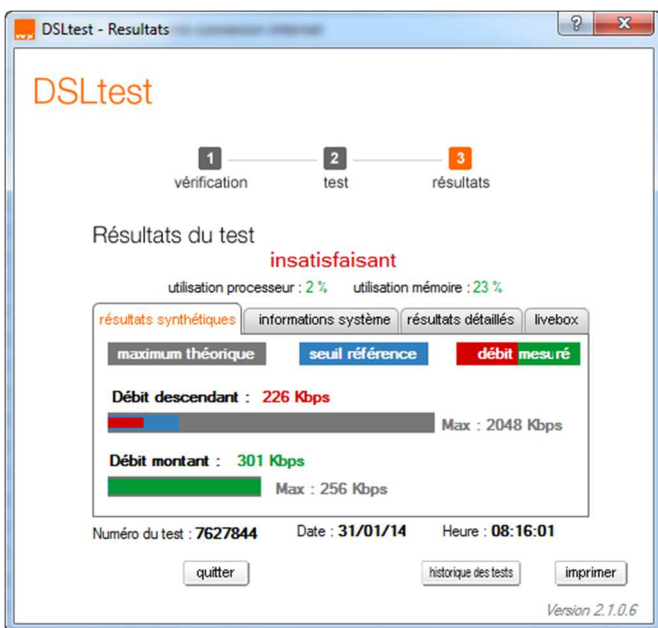

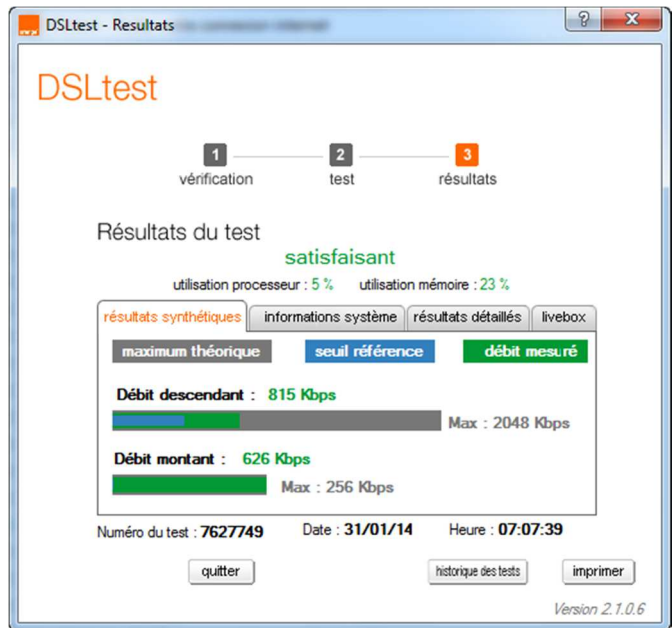

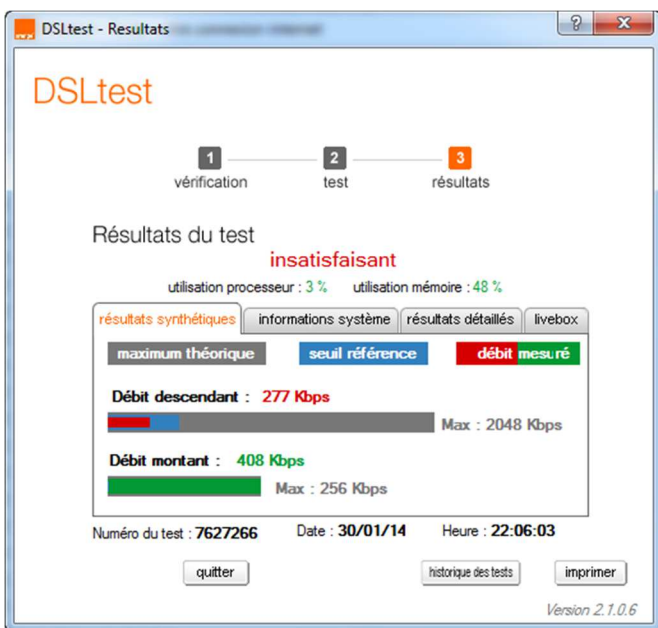

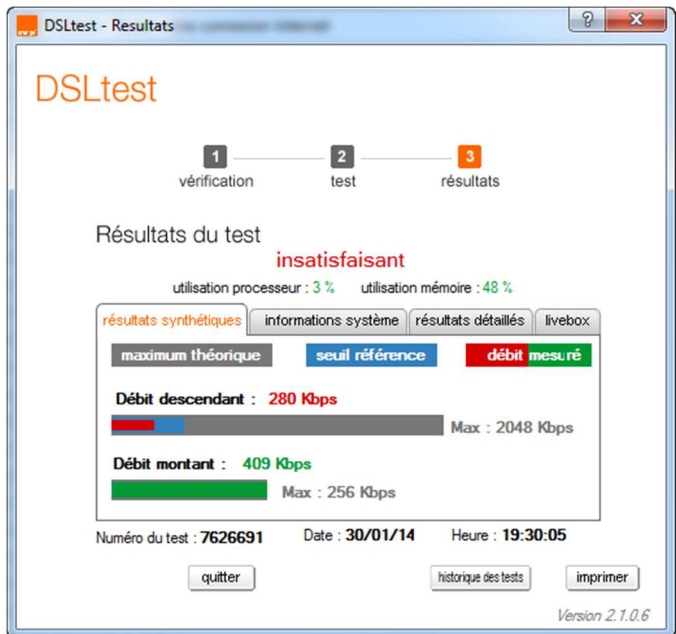

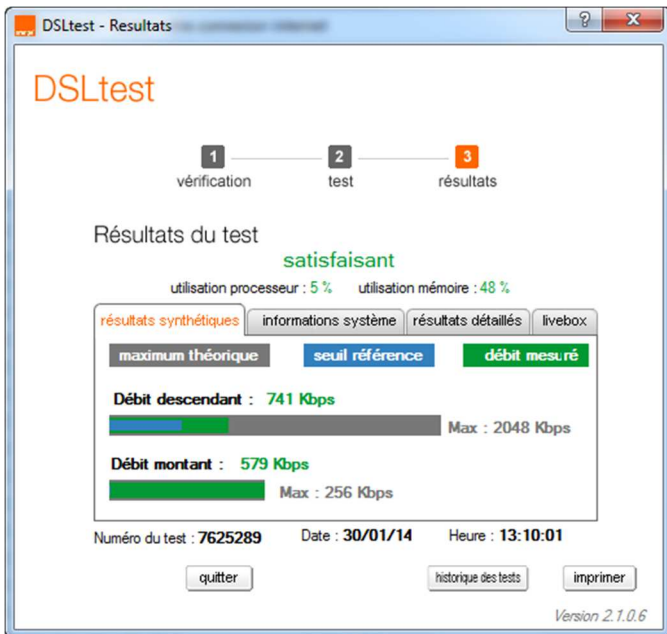

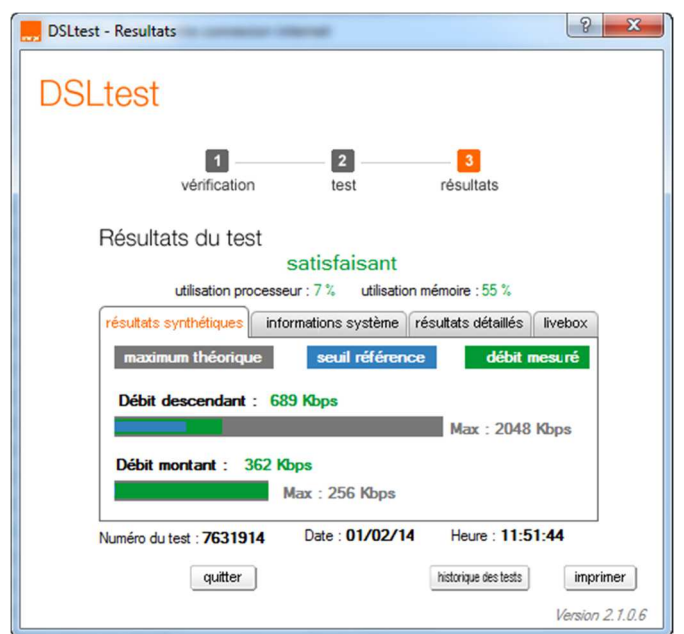

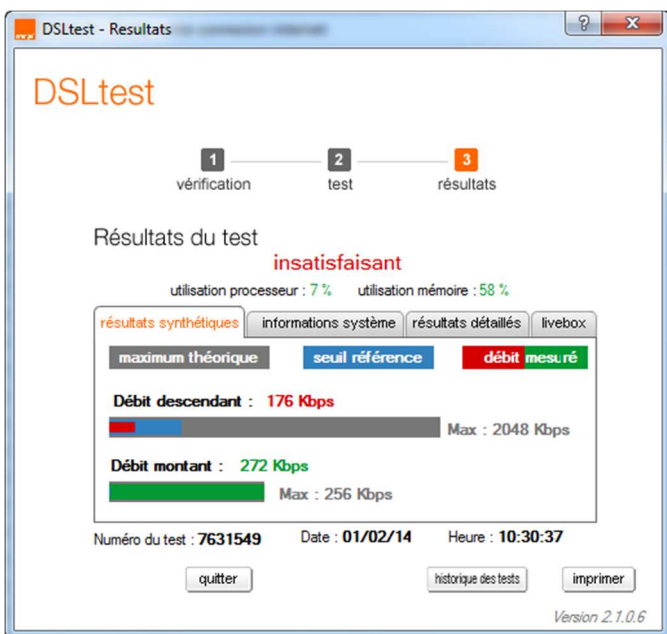

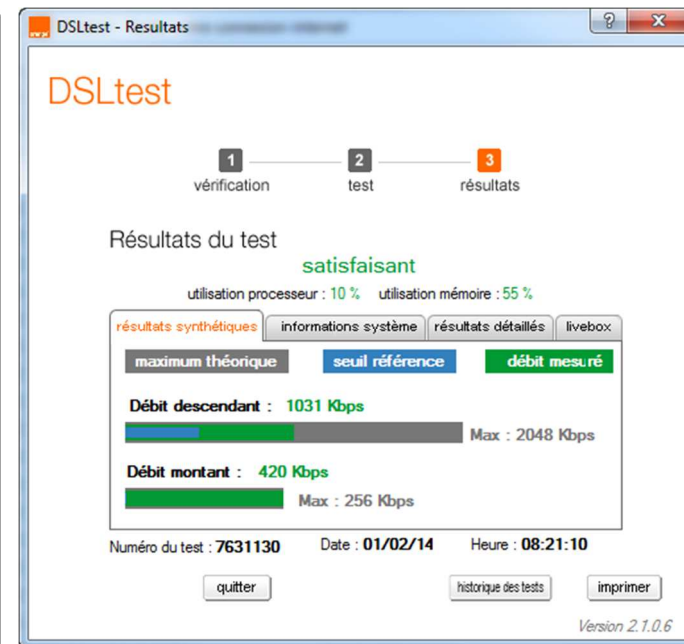

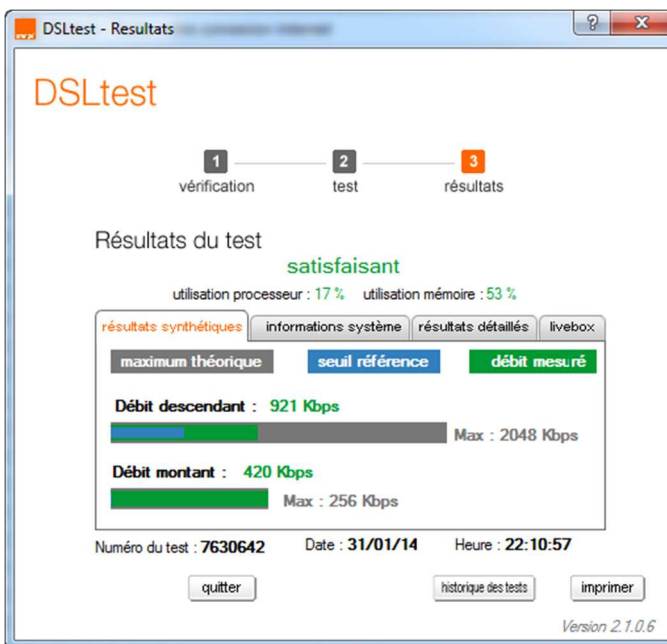

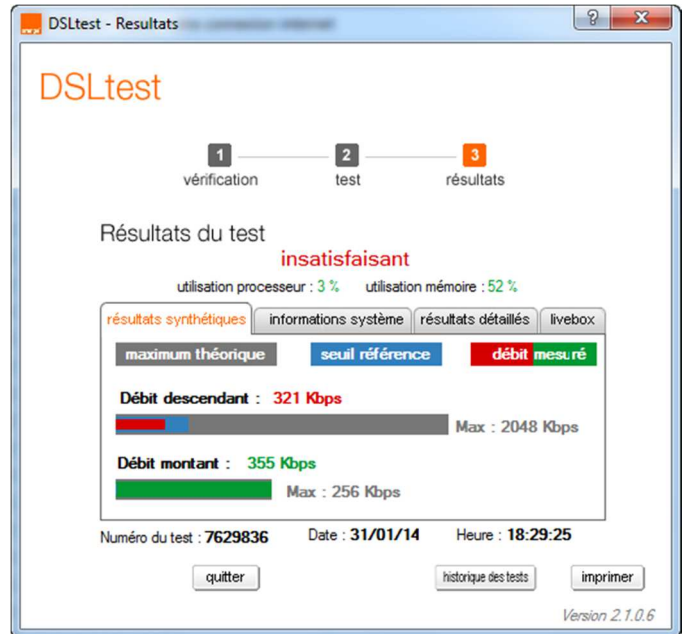

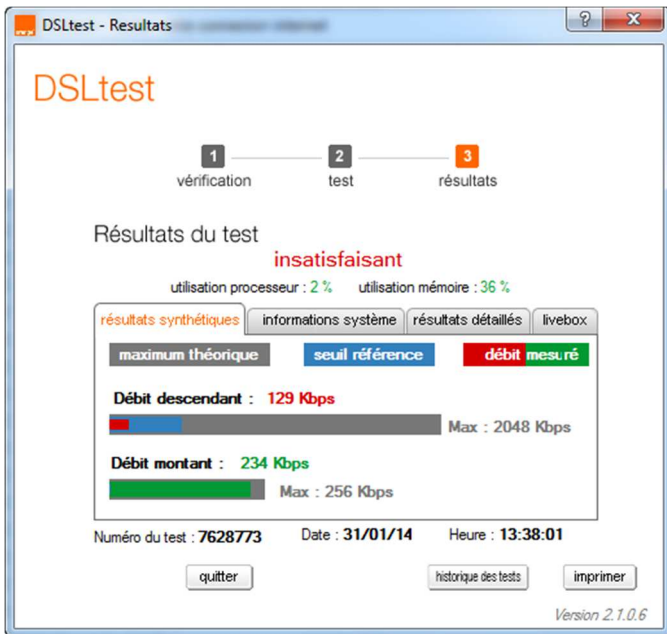

Vous pouvez constater que j'ai une vraie connexion asymétrique: débit montant > débit descendant !!!!!!!

DSLtest - Resultats

DSLtest

1 vérification → 2 test → 3 résultats

Résultats du test **satisfaisant**

utilisation processeur : 5 % utilisation mémoire : 61 %

résultats synthétiques | informations système | résultats détaillés | livebox

maximum théorique | seuil référence | **débit mesuré**

Débit descendant : **995 Kbps**
 Max : 2048 Kbps

Débit montant : **428 Kbps**
 Max : 256 Kbps

Número du test : 7633204 Date : 01/02/14 Heure : 17:13:55
